

In an emergency, call

112

The single European emergency number — free of charge, available 24 hours a day

What to do

- 1 Stay calm and think before you act.
- 2 Call 112 if there is danger to people, buildings or the environment.
- 3 Do not use the lift.
- 4 Follow official sources only (Municipality, Region, Civil Protection).
- 5 Help vulnerable people if you can do so safely.
- 6 Keep your phone charged and keep phone lines free.
